## A MESSAGE FROM THE TEAM AT DURBAN CENTRAL TOURISM ORGANISATION

The face of the Durban Central Region has changed dramatically over the past few years due to massive investment in infrastructure upgrades that have transformed Durban into a world-class city, praised by its citizens and visitors alike.

The top five attractions located in the Durban Central Region include uShaka Marine World, Moses Mabhida Stadium, Inkosi Albert Luthuli International Convention Centre, Suncoast Casino, Hotels and Entertainment and the Golden Mile and have all helped Durban to receive global recognition and numerous accolades.

We are a growing urban setting – rich in diversity, cultural amenities and outdoor recreational opportunities but it would be foolish to think that these are the only activities that this region has to offer. There is so much more to do in the Central Durban Region and no matter what your interests are, you will find a range of activities to keep you more than busy during your stay here.

If it is culture and history you are interested in, our City is a rich tapestry of religion, beliefs and heritage and you will find that we represent the history of South Africa in all its intricacies.

Welcome to Durban. We hope that you have a fabulous stay in the Central Durban Region and that you discover some of our unique and varied activities.

# About Durban Central Tourism

The vibrant city of Durban is a holiday destination that easily rivals other top cities in the world. It is an eclectic fusion of cultures and architectural styles that blend old with new, traditional rikshas, bunny chows and curry, Indian markets, beautiful sandy beaches that offer safe swimming in temperate waters, and sub-tropical weather that promises sunshine virtually all year round.

Durban beachfront has been revived with wide, clean streets that lead easily into the heart of the city, reliable and regular public transport, its own Metro Police force, museums, shopping outlets, theatre, and sights and sounds to keep you entertained for days.

The International Convention Centre, a world-class example of modern architecture that lies between the beachfront and downtown, and across from the Exhibition Centre, has placed Durban on the international conference map and draws business travellers from far and wide.

The Edwardian neo-baroque City Hall, built in 1910 and modelled on the city hall in Belfast, houses the Natural Science Museum, the main library and the Durban Art Gallery.

There's the Victoria Street Market – the original Indian Market with a facelift – humming Grey Street with its array of silks, saris and street hawkers, the largest mosque in the southern hemisphere, uShaka Marine World and the Point development, a waterfront mixture of retail and apartment complexes close to the harbour mouth.

Durban central is just a half-hour drive from the King Shaka International Airport. A short walk from the Durban ICC will take delegates to the stunning beachfront, tourist attractions and some of the city's top hotels.

# Shopping, wining and dining

*Wilson's Wharf seems to hover over the water.*

## Victoria Street Market

Venture down to the Victoria Street Market on the corner of Queen and Victoria Streets in Durban Central and step into a sensory explosion of Afro-Indian culture. Here the smell of incense and spices pervades the atmosphere where over 180 traders sell their produce. You will find all manner of delightful food and spices, including a fish market, one of South Africa's premier tourist destinations that is rich in culture and heritage. Experience the hustle and bustle of one of the oldest markets in Durban, featuring a large variety of bags, spices, Chinese wholesale goods, brassware, cellphones, African artwork, curios and much more. Further down is the clothing mecca of Grey Street (Dr Yusuf Dadoo Street), where you will find typical Indian architecture, narrow lanes, colonnades over pavements and an array of fabric shops. Open Monday to Saturday 08:00 – 18:00; Sunday and public holidays 10:00 – 16:00.

## Wilson's Wharf

With its incomparable harbour views, Wilson's Wharf is Durban's trendiest fusion of fun food, top shows and crafts, blended with the rustic interface of a boating marina and working slipways. Shops contain a wide range of crafts and speciality items, while the 165-seat intimate Catalina Theatre brings shows to Durban's only stage with bay vistas. The Marina offers deep-sea fishing charters daily, or visitors may take their pick of the catch-of-the-day from a full range of seafood at the wharf-side fresh fish market.

## The Workshop Centre

The Workshop is an iconic, heritage-rich building embraced in the vibrant heart of the CBD. It was transformed from a railway workshop originally built in 1860 into a modern shopping centre. Safety upgrades, expansion and rigorous renovations have restored, replenished and shaken off the dust to reveal a brand new shopping experience. The character and charm of a bygone era is complemented by state-of-the-art finishes, resulting in a remarkable contrast of vintage and vogue. In addition to a wide choice of luxury brands, top national retailers and popular eateries, The Workshop boasts the largest curio shop in South Africa.

## City View

Nestled just outside the heart of Durban's city centre, the City View Shopping Centre, formerly known as Game City, underwent a dramatic revamp and now boasts a stunning modern finish and improved shopping experience, offering 18 000m<sup>2</sup> of prime retail space.

## Musgrave Shopping Centre

Musgrave Centre offers a unique, cosmopolitan shopping experience for the discerning buyer in search of the best that is available – from decor shops to boutiques that stock the latest fashions. The elegant restaurants and cafés on all three shopping levels offer delectable refreshments as well as top quality service, and patrons can take in a movie on the upper level. One of the most attractive malls in Durban, Musgrave Centre is classy but certainly hasn't lost its intimate feel.

## Windermere Shopping Centre

Windermere Centre has been a firm favourite among Morningside residents for many years as a meeting place and shopping destination catering for just about every need. The centre is a popular choice, offering shoppers a mix of retailers that provide for day-to-day necessities as well as life's little luxuries. Windermere Centre underwent an extensive renovation a few years back and is very accessible and free parking makes shopping a breeze. Several entrances and exits welcome pedestrians and the installation of a lift makes visiting multiple shops extremely convenient, with or without a trolley. There are offices situated at the centre and residential flats above the shopping mall. As a result, Windermere Centre has become a landmark in Durban and a regular meeting place for the community.

## Durban Car Boot Fleamarket

The Car Boot Fleamarket is the oldest of its kind in the city of Durban, having been established in 1992. It is situated on the old circus site behind the Greyville Racecourse and offers plenty of free parking for those wanting to peruse the many stalls. It is also kept safe and secure by experienced security personnel. It is a great option for a family day out or a shopping mecca for the thrifty buyer. This market is open every Sunday from the early morning.

## I Heart Market

For 10 years, the I Heart Market has been a community of makers who have been creating a platform for local design, craft, fashion and food and providing a retail space for local creatives – a great day out in pleasant surroundings. On the first Saturday of every month from 9am – 2pm, Durbanites and visitors, friends and family gather under the iconic arches

of Moses Mabhida Stadium to meet the makers, people watch, eat great food and support local artisans and crafters. Expect fashion, jewellery, home décor, kiddies wear, plants, natural skin care, deli goods, accessories, vintage collectibles, art, ceramics and delicious foods. December is when three markets are held on each Saturday before Christmas.

*The Bunny Chow is Durban's most famous street food that is well worth a try.*

*The I Heart Market is held in the shadow of the Moses Mabhida Stadium on the first Saturday of every month.*

# Night life experience

Despite its laid-back approach to life, Durban has a pretty impressive nightlife scene that promises a good night out. From chilled cocktail lounges to banging nightclubs and from live music to chilled bars, a night out caters to a variety of tastes and can be found all over the city and surrounding suburbs. The key areas include: Florida Road and Windermere Road in Morningside, which offer a great variety of restaurants in street cafe settings and very vibey pubs and clubs too. The Victoria Embankment refers to the area around Durban's Harbour where numerous restaurants cater for all tastes in a beautiful setting. The uShaka Marine World complex and the Beachfront have restaurants and pubs that adjoin Durban's promenade.

*The Moses Mabhida Stadium is a stylish beacon at night.*

*Durban boasts all manner of eateries – from sophisticated fine dining establishments to cosy bistros and street cafes.*

# Attractions

## UShaka Marine World

The most loved marine theme park. Offers a world of water rides, oceanarium, dolphin, seal and penguin shows, shopping, beach and activities.

## Moses Mabida Stadium

Sky car and viewing platform. This is your chance of viewing Durban like you have never seen it before

## Botanical Gardens

Famous for the specimen of cycad that is still widely acknowledged as probably the rarest plant in the world.

## Suncoast Casino, Hotels and Entertainment

Durban's top entertainment attraction. Offering events, entertainment, family fun, movies, dining and thrills on Durban's Golden Mile.

## South Beach, Durban

South Beach lies close to Addington Hospital, and to Durban's trendy Point area – now a revived development of waterways, upmarket apartments, shops and office space. There is even a small craft harbour at Vetch's Pier. The waterways are now in use by boats and gondolas, bringing to mind, particularly at night, an element of Venice.

The historical Botanical Gardens are a welcome oasis of greenery in the bustling city of Durban.

## Durban International Convention Centre

The Durban ICC has been voted Africa's Leading Conference Centre for six consecutive years by the World Travel Awards and in 2004 was also ranked as one of the top 10 conference centres in the world by AIPC. Its proven track record is unrivalled in Africa. A focal point of the Durban Central business district, and just a quarter of an hour from the airport, Durban's

ICC is just minutes from Durban hotels and beaches. It is a purpose-built, fully air-conditioned centre with three convention halls that are interlinked but separate. Moveable walls allow for a number of different venue configurations. Alternatively, the halls can be opened up to form one large venue with seating for 5 000 delegates or 7 000m<sup>2</sup> of column-free floor space.

## Durban Ice Arena

The revamped Durban Ice Arena is a multi-purpose complex located behind the Golden Mile and comprises an ice rink, convention centre, exhibition halls and meeting rooms.

## The Riksha Bus

Hopping on the Riksha Bus is a convenient way of exploring the City's offerings where one is able to enjoy scenic overviews of a range of Durban's major attractions. Currently, the bus conducts daily tours of the Durban Central region where visitors are informed by experienced tourist guides about the rich history, culture, heritage and a variety of other activities and events in our City. The recent addition of three new routes and another bus now affords visitors an opportunity to visit all four Durban regions, with a greater emphasis on townships and rural tourism.

North Beach Café & Takeaway is exactly the kind of place that will pleasantly surprise you. It is basically a small corner café with a laundry and an ATM. The only clue that it serves a damn fine bunny is the sidewalk collection of plastic chairs, tables and umbrella's. With a view across the road, down the North Beach Pier and into the Indian Ocean, this is prime bunny territory. You can sit at a table or consume your bunny, correctly, on the bonnet of your car in the parking lot, preferably wrapped in a towel and still in your wet boardies. We chose a chicken bunny, saucy and complex with big pieces of chicken on the bone and little flavour bombs in the shape of cloves, cardamom pods and cinnamon bark. Best yet, it packs a spicy punch on the heat front, exactly as a bunny should. It's uptown, but worth every cent.
